**DON'T END UP
TOO FATIGUED,
FATIMA!**

Squaddie's girl, Fatima from North London has gone all 'army' since her fella joined up.

Hence the fatigu-ey get-up much loved by this cuddly 38-24-38-er discovered by seven-times-a-week *Sport*, Britain's spiciest newspaper and now making her full frontal furry debut in *Parade* - naturally!

What's more, like any good squaddie's lady, Leo-born Fatima is quite happy to put the boot in if there's aggravation.

And so when she's sporting those thigh-lengthen's, keep your distance, unless Fatima lays on an open invitation - as she does here for every lucky fortnightly *Parader*!

Mind you, a lot of guys will be on their knees at the mere sight of that kinky footwear and, if they grab you heart and sole, don't forget to try other ruthless, raunchy females for size on these 36p-a-minute (48p peak times) hotlines for slavish sensation seekers: 0836 403 652, 0898 884 934 and 0898 403 657.

We won't go into detail about what you'll hear on 'em here, if you don't mind, but you'll get the message instantly.

And doubtless you've got the message about *Sunday Sport* and every-day-of-the-week *Sport* Newspaper too, by now, where so many British lovelies make their topless debut before parading all their parts in *Parade*.

But if by some weird chance you're not a Sportman already, especially now it's a steamy seven-day-a-week affair, make sure your newsgent gets the coupon at the climax of be-booted Fatima's funky flash - for more instant kicks!

A full-page photograph of Karen Welsh. She is wearing a black, textured leather jacket that is open, revealing a dark bra. Her hair is dark and styled in a high, messy bun. She is holding a thick metal chain with both hands; one hand is near her head and the other is near her chest. She is looking directly at the camera with a neutral expression. The background is a solid, light pink color.

**LITTLE WELSH
RABBIT KAREN
RETURNS -
IN CHAINS!

Reaction!**

A full-page photograph of a woman, Karen, posing in a black leather outfit. She is wearing a black leather corset with multiple buckles and straps, a black leather harness with a large silver buckle, and black leather thigh-high boots. She is suspended by several thick metal chains that hang from the top of the frame. The background is a solid purple color. She has dark hair styled in a bun and is looking directly at the camera with a slight smile.

Hasn't 20 year old Welsh rarebit Karen from Cardiff come on a lot since last she paraded her hills and valleys in your funkiest fortnightly, boyo?

And no we don't mean *that* ; what we're trying to say is how *last* time she looked as though butter wouldn't melt in her oh-so-kissable mouth and now, here she is toggled up all kinky, hanging hornily from chains, in a preview of pics from Parade's weird sidekick, *Adult Fantasy Magazine* , which sets out to make its readers' wildest wet dreams become panting photo reality!

And there is no doubt that Karen's taken to buckles, belts, leather and chains like she was born to please guys who are into that kinda kinky thing in a big way.

Anyway, if this preview of leathery Welsh undresser Karen in action is your scene, don't forget to dip in to *Adult Fantasyland* when you reserve your next must-see Parade at your newsagent (or check out how to get *Adult Fantasy* by post earlier in this full-of-kicks-and-hot-licks Parade 166).

Yes, you really oughtta reserve your next Parade, you know, if you don't want to miss our next stunning/free offer following the amazing £10 vibrator giveaway this time round.

There's sure to be a rush for Parade 167 and you don't want to get killed in *that*, do you? So make sure your newsagent gets the reservation in Karen's climactic cavalcade in this Parade - today , at the very latest!

PARADE'S EDITOR
ZETA BRINGS YOU BRAND
NEW PULL-FRINGS IN THE
PARADE PICTORIAL EXCLUSIVE!

YOUR PARADE EDITOR REVEALS SHE'S A FOUR-VICE GIRL! - AT LEAST!

Your Parader-In-Chief Zeta Reveals More Of Her Horny Ins-&-Outs:

Okay, all you doubters who thought I might have gone off since I last had full-length, full-frontal photos done of yours truly.

The proof is in the pudding (or lack of it) and here I am naked and all yours, revealing more secret vices of my very own, as well as my naughtiest nooks and crannies!

Three obsessions of mine, I think you know about already:

Tottenham Football Club (and here are some snaps to keep your peckers well and truly up in the season ahead, Tottenham fans, whatever the future holds).

And my second obsession is *Parade*, of course, as my opening snaps reveal, closely followed by the aural thrills I get, updating *Paraders* on my own sexy ups-and-downs on 36p-a-minute (48p peak times) 'Zeta Hot Lines' like 0898 886 414 and 0898 884 019 - so don't forget to get it together with me on your telephone soonest!

But what am I doing holding *Titbits* Magazine up front in my full frontal Tottenham tease that'll leave your tottering? Well, I'd love to get my hands on *Titbits* Magazine too, but my bosom friend Tara Bardot has got there first and now holds sexy sway over what's been hailed as today's greatest pound's worth of flesh.

Even I have to admit new-look *Titbits* for men makes a great between-Parades trouser-arouser. So if you haven't got your teeth into funky 100p *Titbits* yet, I suppose you'd better hand your newsagent the tear-off slip in my bare-all cavalcade soon, and see what turn-on Tara Bardot has squeezed into its Page Three-er packed picture pages!

But be warned: once *Titbitten*, you could be forever smitten, and don't forget, my little juicy jig in Tottenham rig here is only the first of lots more meaty new snaps of yours truly I've got in my locker that'll leave you dribbling in upcoming two-weekly *Parades*, so be there too or be square!
